The property is distributed in two large areas: the day area: we find a large living-dining room with an American kitchen (kitchen furniture included) that connects with the large modern porch through its two large windows, giving way to the landscaped outdoor area and the future pool. As an extra space, it has a laundry area strategically located in the distribution of the house where it will be very easy to access it from any point in the house.

The rest area: in this area there are 3 bedrooms. The master bedroom has a large dressing room and en-suite bathroom. There is also a second bathroom to serve the rest of the bedrooms and the rest of the house.
